Mumbai Regional Finals

In January 2025, regional finals will be held in the five regions of Mumbai. The qualification period ends on 10 December. In order to qualify for one of the five Regional Finals, the corresponding school competition must have taken place by this date.

Qualification via the top list

For each region, a list of best performers by category will be maintained on the Athletics Kids Cup website. The best 25 athletes qualify directly for the regional final.

Invitation by the organizer

The organiser (dspowerparts) can award up to 3 wildcards per Regional Final and category. The organiser is free to decide who will be invited to one of the Regional Finals. No correspondence will be entered into regarding the allocation.

Limitation per school

Only three athletes per school and category are allowed to compete in the regional final. If more than three athletes from the same school are among the top 25 in the ranking list, only the top three will be invited to the regional final.

The athletes who qualify for the Regional Final will be specially marked in the online list after the deadline. Each participant can only take part in one Regional Final. The qualification region is determined by the location of the school.

Grand Mumbai Final

The best athletes from the five regional finals can take part at the Grand Mumbai Final on the 15 February 2025 at the Jio Institute's Athletic Center in Navi Mumbai.

The top five in all categories (G/B 7 to G/B 15) in each region qualify for the Grand Mumbai Final. In addition, the organiser can award up to 3 wildcards per regional final and category. The organiser is free to decide who will be invited to one of the regional finals. No correspondence will be entered into regarding the allocation.
